

OSWAL CROP PROTECTION PVT. LTD.

हर कदम पर किसानों का हमसफर....

Company Profile

"Support for sustainable agriculture lies at the heart of everything we do, and we are fully committed to play a key role in expanding the capacity of agriculture. To achieve this, we depend on the talents and dedication of our people who enthusiastically search for and find new solutions"

"Monsoon Agro Chemicals Private Limited" an **ISO 9001:2015** certified company established in 2008 takes immense pride in introducing itself as one of the leading manufacturers and suppliers of Insecticides, Herbicides, Fungicides, Weedicides and Plant Growth Regulator. Since then, we have gained immense market credibility and a good reputation in the eyes of our clients as well as the key industry players owing to our supreme quality

product assortment. Primarily used for various agricultural crops and organic farming, our range is acknowledged for attributes like safe usage, effectiveness, precise pH value and accurate chemical composition

We have been able to make a mark for ourselves in the industry owing to the expertise and knowledge of our Director **"Mr. Ramesh Bansal"** More than **30** years, they have vast experiences in Pesticides with Raw Material Trading. Under their guidance and supervision, we have mustered a vast clientele within a short span of time. **"Oswal Crop Protection Private Limited"** is founded as sister concern to support market of Monsoon Agro Chemicals Private Limited in leading states of India.
